## ACROSS

- 3 Belle (Beauty & the Beast). Love to read, have a vivid imagination and grand goals.
- 5 Angelica (Rugrats) Because I am spoiled (not a brat, just spoiled).
- 8 Zimba (Lion King). I roar like a lion and my zodiac is Leo the Lion.
- 9 Peppermint Patty. It took her a long time to realize that the shortstop was a beagle.
- 11 Spongebob Squarepants. Cock-eyed optimist, silly, and sometimes hopelessly naive.
- 12 Goofy. Approaches life in a unique manner and is the ultimate family man.
- 14 Tweety. I make an excellent friend. Life is either a breeze or a whirlwind, but I am calm most of the time.
- 16 Cathy. I worry and spaz out like she does sometimes over dumb things.
- 17 Bugs Bunny. The long-eared rabbit.
- 18 Barney Rubble. Laid back and easy to get along with.

## DOWN

- 1 Storm (X-men.) I control my own temperament like she controls the weather.
- 2 Granny Puckett. The spunky one in Hoodwinked.
- 4 Cartman (South Park). I'm straight to the point.
- 6 Rafiki (Lion King). The blue-butted monkey who is full of hopes and dreams.
- 7 Brainy Smurf. "Brainy:" need I say more?
- 10 Catwoman. I love the cats and would be happy to be reincarnated as one.
- 11 Buzz Lightyear: So well-meaning, optimistic, and adorably and incredibly vain.
- 12 Garfield. We think alike, have the same body shape, and love and protect our families.
- 13 Penny (Proud Family). Because she is adventurous and witty.
- 15 Huey (Boondocks). An optimist and an idealist who rails against the insanity of today's politics, ethics, etc.
